REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT

Applicants respectfully request a certificate of correction for the above-identified patent due to errors made by the Applicants. The errors can be found in the patent in the following location:

In the Drawings, Sheet 1, Fig. 1, change:

The reference numeral "50" should be reference number --100--, and applies to the information retrieval system;

The reference numeral "52" should be reference number --102--, and applies to the one or more wireless devices;

The reference numeral "54" should be reference number --104--, and applies to the computer;

The reference numerals "56" and "58" should be reference numbers --106-- and --108 --, respectively, and apply to the users;

The reference numeral "62" should be reference number --112--, and applies to the information database;

The reference numeral "64" should be reference number --120--, and applies to the network; and

The reference numeral "66" should be reference number --110--, and applies to the location-centric information system.

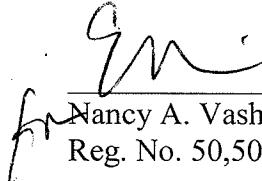

The corrections are indicated on the attached Form PTO/SB/44 for Certificate of Correction. The corrections to the reference numbers correspond to the reference numbers used in the originally-filed written description in reference to Figure 1. Accordingly, ample support exists in the specification for recitation of the relevant reference numbers and their corresponding elements in Figure 1.

As stated above, the corrections are requested due to Applicants' error. Accordingly, a fee of \$100.00 is being submitted herewith. In the event that an additional fee is required, the Director is hereby authorized to charge any underpayment of the fees associated with this communication under 37 CFR 1.20 or credit any overpayment to Deposit Account No. 50-1283.
